Marvin – thanks for your e-mail below. I will forward the e-mail to the other parties and, to the extent I can, prepare a combined response. Just FYI, though, I'm in meetings for the next couple days with limited access to e-mail, so it is unlikely I will be able to respond to you with 48 hours as you requested. I will, however, respond as quickly as I can.

Subject: Cedar Chemical Superfund Site RI/FS Negotiations

Skip & Chad:

Hi ! I trust all is well. I want to go ahead and schedule a couple of negotiation sessions for the AOC that we distributed to you all on November 18th.

I recommend if you all have not done this already that upon your PRP Group you designate 3-5 Attorneys

9542115

to be involved with our EPA Team in negotiating the AOC.

The first negotiation session will be on Thursday January 15th at 1:00 pm . The second negotiation session will be on Wednesday February 18th at 1:00 pm. I recommend that each negotiation session be no longer than three hours.

I am open depending on your convenience to negotiate the AOC in face to face meetings or by telephone conference.

Please let me know within the next 48 hours if the schedule that I have outlined is agreeable to you.

Thanks for your cooperation,

Marvin Benton
